9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

Do we do the 130% FPL gross income test then for elderly/disabled HHs individuals to determine if they are MCE/BBCE and if they are not, they are then subject to the resources requirement for CalFresh? (as what was discussed on Example #4 on the draft ACL)

Or, does this mean all elderly/disabled HHs are not under MCE/BBCE therefore subject to the resources requirement for CalFresh since we do not apply gross income testing?

10. REQUESTOR'S PROPOSED ANSWER:

11. STATE POLICY RESPONSE (CFPB USE ONLY):

In CA, 130% of the FPL is currently the established maximum gross income for all households (HH) to have BBCE or MCE conferred. ACL 12-62 does not change the standard eligibility requirements, including passing a resource test per 63-501, that an elderly and/or disabled HH must meet to be CalFresh eligible when they have not been conferred BBCE or MCE.
